About Me

Computer Engineering student skilled in Agile project management, risk analysis, and stakeholder engagement. Experienced in leading multidisciplinary teams, optimizing processes, and aligning project delivery with organizational goals.

Education

B.E., Computer Engineering <i>Indira College of Engineering and Management (SPPU)</i>	2023 – Present
- GPA: 9.19/10 - Coursework: Software Project Management, DBMS, DSA	
Higher Secondary Certificate <i>PDEA's Shri Mhalsakant Junior College</i>	2023
Percentage: 66.33%	
Secondary School Certificate <i>CMS English Medium School</i>	2021
Percentage: 83.60%	

Experience

Ping – Student Ambassador	Sept 2025 – Present Pune, India
- Led workshops for 500+ students; enhanced leadership and communication. - Promoted Google Gemini adoption through real-world demos. - Fostered collaboration across diverse academic disciplines.	
codeXslinger – Machine Learning Intern	Apr 2025 – Jun 2025 Pune, India
- Built CNN model for plant disease detection (90%+ accuracy). - Designed soil monitoring and crop recommendation system. - Managed Agile sprints and project documentation.	

Projects

SAARTHI – Soil Crop Recommendation	Jun 2025
- CNN-based crop suggestion model using soil and climate data. - Achieved 90%+ accuracy through iterative optimization. - Tools: Python, TensorFlow, Keras, Pandas	
SAHAYAK – Paperless Scholarship Distribution	Aug 2024
- Developed a centralized digital platform for scholarship processing. - Used Agile methods for faster disbursement and live tracking. - Tools: MongoDB, JS, HTML, CSS, Redis, Stripe, SendGrid	

Skills

Technical: Python, C++, Java, TensorFlow, Keras, Scikit-learn, Pandas, HTML, CSS, Bootstrap, MongoDB, MySQL
Tools & Platforms: JIRA, VS Code, Git/GitHub, Jupyter Notebook
Management: Agile, Scrum, SDLC, Risk Analysis, Stakeholder Management
Soft Skills: Leadership, Adaptability, Teamwork, Persuasion
Design: Canva, Adobe Photoshop

Achievements

- Letter of Recommendation from codeXslinger for internship excellence.
- 4th Semester Department Top Performer.
- 1st Runner-up, GDG Ideathon 2025.
- Led 4-member project team under Software Engineering module.
